Thank you for being a part of McKinley!

**We invite you to join us as we continue our ministries of generous living.
Your financial pledge to McKinley helps to make these ministries possible!**

Some, when first considering their giving to the church, look to contributions they have made to other nonprofits. Gifts of \$100, \$500, or similar, further our mission and are much appreciated. Scripture and tradition invite us to think of the Church as the Body of Christ and God's hands and feet in the world – not simply another non-profit organization. We are asked to think beyond one-time gifts, and when possible, budget a percentage of our income to sustain God's Church and ministries. The act of giving is deep spiritual commitment. The act of increasing giving, even a small amount, is a large step of faith. The chart below is a helpful guide in this spiritual practice.

Whatever you feel led to contribute, we thank you for being a part of our congregation. We are glad you are part of McKinley's faithful journey with God!

McKinley's Fiscal Year 2025 begins July 1, 2024 and runs through June 30, 2025.
